**We're renovating  
CANADA HOUSE  
in Jerusalem –**

**And we need you NOW!**

The Jerusalem Foundation of Canada is working to meet the special challenge of revitalising the centre of Jerusalem and supporting young people through the renovation of the Morasha Community and Cultural Centre. Located in the heart of Jerusalem, the newly renamed **CANADA HOUSE** honours the strong ties between the Government of Canada and the City of Jerusalem.

Join us in marking this unique connection between Canada and Jerusalem and help fund the final bricks of the **CANADA HOUSE** renovation.

**CANADA HOUSE** will provide needed services for local residents and draw many thousands of young adults and youth to the centre for quality programming and activities.

Be a part of Jerusalem's rejuvenation!
